BRIEF ABSTRACT OF LETTER.

Requests specific orders whether T.A. Scholarship for Medical Graduates, Madras Presidency in G.O. No. 5706-7/Sch. 282-20 dated 20/11/21 should be granted only once a year

NOTES AND ORDERS.

Sent for orders
1/2/22

T. A. even once a year seems a great concession. Perhaps the whole question may be reconsidered as all Scholars may claim T. A. once a year

in future. Now for instance Pandit Sitarama Sastri ~~is going~~ T.A. undergoing the M.B.B.S Course at Poona is granted T.A. to his native place & back once a year whereas other scholars undergoing the same course are not given T.A. It may perhaps be made a general rule that T.A. will be confined to ladies who are given scholarships

What is the authority for this - Is not T.A. only for the initial & final journeys of the course - HG

to lady scholars at the Lady Hardinge Medical College Delhi. in G.O. Hag T. Since the centre of training was the same the concession of T.A. to and fro once a year was extended to the candidate scholars ref.d to in Hag T.

In G.O. Hag D. referring to the present case the term used is "travelling expenses". This has been interpreted in the same way as in the case of the other special medical scholarships referred to in Govt orders Hag B. & T. The I.G. seem to doubt whether T.A. can be given to this scholar "only once a year". It seems probable that Mr Sitarama Sastri's case may give rise to similar claims from his co-scholars at in the Bombay Medical College who are not given T.A. even for their initial journey.

Even if Mr Sitarama Sastri's case is to be considered a special one the grant of T.A. more than once seems open to objection.

of granting travelling expenses & particularly the journeys made to their home stations every year should be extended.

In the case of the scholarships sanctioned in Govt. of 23 August 1918, since the passing English educated men required some special stimulus to study English & Agriculture & Veterinary respectively, "travelling expenses" were sanctioned in para 6 of the scholarship - Rules to be strictly interpreted, i.e. only the initial journey to join the course & the final journey on completing the course, were to be allowed, once a year in case of long courses.

The Govt. of India Rules of April 1916 may also be modified suitably.

As regards the rates - Railway fare I to 3 as now is - right.
